

HOLIDAY EVENTS

Jesus, thank you for the opportunity to celebrate your season with concerts, parties, and meals with friends and loved ones. I pray over all the logistics of these events, that we would remember what matters most and enjoy the company of others as we spread goodwill. Amen.

HOLIDAY TRAVEL PLANS

Jesus, I pray over my holiday travel plans. Please lead me to flights, transportation, fares, and times that come together smoothly. I pray that you'll help me remember all the little details, for protection during travel, and for good, quality time when I finally connect with loved ones. Amen.
