

the diet plan that's not a diet

A 2-WEEK CHALLENGE TO BRING JESUS
INTO YOUR DIET & HEALTH

IT ALL STARTED WITH A CRAZY IDEA...

When They Say podcast producer Becky randomly suggested during a planning meeting that we try a two-week "dieting experiment," we were all on board.

Here's the experiment:

For two weeks we would forfeit ALL dieting rules, programs, and efforts and would instead let Jesus guide us in our daily diet.

We'd keep an informal journal of what we heard/experienced/felt, and then we'd review it at the end of the two weeks.

The results were:

Surprising. Intriguing. Unexpected.

The journey was just beginning...

NOW IT'S YOUR TURN

So here's the deal: we want you to try the same experiment.

For two weeks we want you to abandon ALL dieting rules, efforts, and programs you're on.

And then we want you to ask Jesus to lead you.

We're excited to see the unique, inspiring, encouraging, (sometimes challenging), unexpected ways Jesus shows up in your life.

how to use this guide

This dieting experiment is CASUAL, meaning that
THERE ARE NO RULES.

So what do you do without rules?

.....

Here's what you do in two steps:

Step One: Start with prayer. Ask the Holy Spirit
for your first prayer or action in this journey. Do it.

Step Two: Then check-in as often as he prompts you
and follow his lead.

>> Rinse and Repeat. >>

.....

Here are some things to help:

We've included a variety of prompts and journaling pages for you
during this challenge. You DO NOT have to use them,
but they're there in case you want to.
